Navigating your way toward your magic day

12 months to 90 days prior

Decide on a cruise destination and wedding date.

In addition to At Sea and Harborside weddings, Princess also has a variety of Ashore destination wedding options. Contact your travel agent or Princess Reservations Department for a cruise quote on your preferred wedding date, to request destination brochures, or for any information you may need.

Start planning the big day.

Contact our Tie the KnotSM staff at (866) 444-8820 to speak with an experienced wedding coordinator. Your wedding coordinator will be happy to share their expertise, answer questions and offer helpful suggestions during your planning stage.

Check wedding date and location availability.

- If you are planning a wedding, your wedding coordinator can place your preferred wedding date on a courtesy hold for three (3) days. Your reservation will automatically cancel if payment has not been received within three (3) days of placing your reservation.
- If you are choosing a Harborside or Ashore package, confirm with your wedding coordinator that the courthouse or wedding venue is open on your preferred wedding day as some courts are closed on local and national holidays and some weekends.

Place a deposit on your cruise.

- Contact your travel agent or Princess Reservations to book your cruise and obtain a reservation number. Remember to book any wedding guests who may be joining you on your cruise.
- Also, discuss flight, hotel and transfer options with your travel agent. If you are being married on the day of sailing, we strongly encourage you and your guests to arrive at least one day prior to your wedding.

Note: Package and upgrade pricing varies by port.

- The wedding couple and guests attending a Harborside wedding on the day of sailing are requested to be at the pier by 10:30 a.m. Please note: The Princess transfer program may not be available for wedding parties from the hotel/airport to the ship due to the time constraints.
- Ask Princess Reservations about our convenient Cruise Plus[®] Hotel Packages for your pre- and post-cruise vacation accommodations.

Book your Tie the Knot wedding.

Contact your wedding coordinator to reserve your Tie the Knot wedding package. When booking your wedding, you'll need your cruise reservation number and full payment is required at that time for the selected wedding package and marriage license. Optional wedding extras can be paid up to 60 days prior to the sailing date.

Complete the wedding contract.

- After you book your wedding, your wedding coordinator will send you a wedding contract and guidelines for your selected wedding destination.
- Fill out and return your wedding contract to the Tie the Knot wedding coordinator.
- Once your signed contract, guideline documents and payment have been received, your wedding will be officially booked.

Review your wedding options.

- Wedding and reception extras — music, photography, hors d'oeuvres and more — are not required to be booked and paid for until 60 days prior to your cruise date. See pages 4-6.
- All wedding extras are booked based on availability and are not confirmed until paid in full. So we recommend you reserve early.

- Privately contracted shoreside wedding photographers, videographers, entertainment, food and beverage, cakes, fresh flowers, etc. are not permitted onboard the ship. We arrange for these extras separately.

Decide on your wedding attire.

Should you need assistance, our Tie the KnotSM program offers a wide selection of formal tuxedos for rent as well as an array of bridal accessories for purchase.

Start your guest list.

Send out a “Save the Date” letter and be sure to include cruise details for guests that will be sailing or traveling to the wedding.

Safety and security.

Because Princess takes the safety and security of our guests very seriously, it is necessary to have the following information and documentation in order to attend a wedding at the pier or to board a Princess vessel:

- Sailing guests — You will need their names and state-room numbers.
- Non-sailing guests — You will need their names, dates of birth, nationalities and driver licenses or passport numbers. A birth certificate is required for children under 16 years of age.

Place your order for invitations and announcements with your wedding coordinator.

We have an extensive selection of invitations, announcements, thank you notes and gifts for your wedding. The Tie the KnotSM wedding coordinators can also print your wedding stationary and ship it home for you to mail to your family and friends. Favors and gifts will be delivered directly to your Princess ship.

Apply for your marriage license.

It is your responsibility to ensure you have a valid marriage license. Upon request, your Tie the Knot wedding coordinator can assist you in obtaining your marriage license in most ports. You will be provided with marriage license guidelines and an application form. Please review, complete and return documents to your wedding coordinator no later than 60 days prior to sailing. Remember, some ports have unique requirements.

90 to 45 days prior

Review your pre-cruise information packet.

- The Princess Reservations Department will send your pre-cruise documents approximately 60 days prior to your departure.
- Carefully check all documents for accuracy.
- Refer to the Cruise Answerbook included with your pre-cruise documents to help you prepare fully for your cruise.

Schedule your wedding time and location.

Your wedding coordinator will set your wedding time and location based on your final requests, submitted no later than 60 days prior to sailing.

Finalize your extras touches.

As your wedding date grows near, contact your wedding coordinator to confirm the optional extra touches to make your wedding truly special.

- Select your wedding flowers.
- Decide on your wedding and reception music.
- Reserve our wedding photography and video services.
- Discuss wedding vows with your wedding coordinator.
- Book your Lotus Spa[®] Salon appointments.*

- Site fees and special orders are non-refundable and due at the time of order.

Note: Lotus Spa pre-reservations are only available to Wedding Party, and cannot be made in advance for general passengers. All others need to be made through Princess.

SURPRISE YOURSELF

Send in your final typed and alphabetized guest list.

Guest list changes will not be permitted within 60 days prior to your cruise.

- Your final wedding payment must be made at least 60 days prior to your cruise.
- All wedding extra touches must be paid in full 60 days prior to your cruise.
- Additions or changes are accepted up to 60 days prior to your cruise.

Submit any special requests.

Any special requests such as customized vows, special music selections, announcements, photography and video requests, bridal party lists, toasts and bouquet toss must be submitted in writing to your wedding coordinator no later than 60 days prior to sailing.

30 days prior

Sign and return your final confirmation letter.

- Your wedding coordinator will send you a final confirmation letter detailing everything you've purchased for your wedding.
- Carefully review the letter to confirm everything is correct by initialing each page and returning the signed letter to your wedding coordinator to secure all your wedding arrangements.
- Inform your wedding coordinator when you will be arriving for the cruise and where you will be staying prior to your cruise.

Inform your guests of cruise and wedding details.

- We will provide a letter that you may send to them summarizing your wedding day guidelines.
- Please pass on all the information regarding your cruise and wedding to your guests.
- Encourage your guests to arrive early as the length of security check-in at the pier may vary.

14 days prior

Review final details and double check your travel documents.

Tie the KnotSM reserves the right at any time not to book or to cancel a wedding onboard one of the ships if the wedding coordinators feel they will not be able to accommodate the couple's needs or meet their wedding expectations.

Ceremony and reception. Times and locations are set based on the requirements of each event and will not be confirmed until 30 days prior to sailing. Onboard weddings are normally performed in the chapel (if applicable) or in one of the onboard lounges. Land weddings are normally performed at a public beach, garden or gazebo. All times are approximate and may be delayed and land locations may be substituted due to unforeseen events.

Please note that some ports of call or the "At Sea" weddings require certain vows to be read by law. Please ask your wedding coordinator for details.

Wedding guests. All wedding packages are designed to accommodate the bride and groom. Tie the Knot will allow up to 10 non-sailing guests to board the ship for the ceremony at no additional charge. Princess will allow additional non-sailing guests if you purchase a wedding reception; see the reception sections for more details. If you do decide to purchase a reception or have more than 25 guests, an additional wedding coordinator is required. For every additional 25 guests, another wedding coordinator is required. Due to security issues, some ports of call do not allow non-sailing guests. All non-sailing guests will need to present a government approved picture ID when boarding the ship, and they will need to depart the ship as per customs port regulations.

Your-choice boarding. If you are being married on embarkation day, Tie the Knot coordinators will meet you at the ship's terminal at 10:30 a.m. and escort you onboard once U.S. Customs clears the ship. You and your guests must carry onboard all of your wedding items in an airline approved carry-on (one per person) since luggage checked curbside may not arrive in your stateroom until after the wedding.

Cancellations and refunds. Prior to 60 days: For a full refund of a wedding package or any extra touches, written notice of cancellation must be sent to Tie the Knot no later than sixty (60) days prior to sailing date. A full refund minus a \$250 U.S. booking fee will be refunded. No refunds will be issued for the marriage license or for the license processing. Within 60 days: No refunds will be made for cancellations made less than sixty (60) days prior to cruise.
